

MCAEL

Montgomery Coalition for Adult English Literacy

2019 Grant Awards

The goal of the MCAEL grants program is to increase the availability of adult ESOL and literacy services that support identified community needs and diverse populations while also supporting improvement of the quality of services. MCAEL is pleased to partner once again with the Montgomery County Government to offer grant support in FY19 for programs during the period July 1, 2018 – June 30, 2019. For FY19, MCAEL's priorities are to support the expansion of services for underserved populations and in underserved areas such as Up County and East County as well as for weekend classes. These priorities are identified through an annual analysis of data collected from providers. MCAEL also supports provision of childcare and transportation to address these barriers to attending class.
