

2022 Grant Awards

The goal of the MCAEL grants program is to increase the availability of adult ESOL and literacy services that support identified community needs and diverse populations while also supporting improvement of the quality of services. MCAEL is pleased to partner once again with the Montgomery County Government to offer grant support in FY22 for programs during the period July 1, 2021 – June 30, 2022. MCAEL's FY22 priorities are to support the expansion of services in areas where adult ESOL learning opportunities are scarce, including Upcounty and East County, and for populations that lack access, as well as weekend classes. These priorities are identified through an annual analysis of data collected from providers. MCAEL also supports provision of childcare and transportation to address these barriers to attending class.
